Please find below and/or attached an Office communication concerning this application or proceeding.

The time period for reply, if any, is set in the attached communication.

DETAILED ACTION

1. The reply filed on 3/31/2008 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): The amended claim 1 has not been consistent with the limitation of the original allowable claim 2 which is now added to independent claim 1. For example, the original claim 2 recites “wherein said first box hinge portion pivot points are protrusions and said second box hinge portion pivot points are depression. And yet the limitation of allowable claim 2 has been added to independent claim 1 recites in part “*wherein said first box hinge portion pivot points and said second box hinge portion pivot points are one of either protrusion and depression, respectively, and otherwise depression and protrusions, respectively.*” It is unclear which recitation the applicant wishes to keep and which should have been deleted. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
